For further information on our innovative product visit www.emporia.at

The first mobile phone you can simply talk with.

The new emporiaTALK.

You simply want to make calls? emporiaTALK reduces mobile communication to the essentials. All important functions are operated by side-keys, the menus become redundant. emporiaTALK makes communication convenient: Large keys with an excellent tactile feel, big, easy to read fonts and a wide display distinguish this mobile phone.

Communication made easy.

emporia

Reduced to the necessary.
